

INTERSECTION IMPROVEMENT PROJECT

SC 150 (Boiling Springs Hwy.) at Grassy Pond Road

Project Description

SCDOT proposes to improve the intersection of SC 150 (Boiling Springs Highway) at Grassy Pond Road, Old Post Road, and Ellis Ferry Road. Proposed improvements include roadway widening, paving, modifications to intersection geometry, and associated right-of-way acquisition where necessary. The purpose and need of the project is to improve safety and operations at the intersection while improving the turning movements, increasing storage capacity, and enhancing overall traffic flow.
