SCHEDULE

- Right-Of-Way acquisition is anticipated to begin in August 2026.
- Construction is anticipated to begin in summer 2028.
- Completion of construction is anticipated for fall 2033.

SCOPE OF WORK

- Widen I-26 to provide three continuous lanes in each direction beginning just west of Exit 172 and ending just west of Exit 187.
- The approximately 15 miles of widening of I-26 will occur by utilizing existing right-of-way within the interstate median.
- The US 15 (Exit 172) and SC 453 (Exit 177) interchanges will be reconstructed.
- Closures with detours are anticipated at the S-28 (First Bend Road) and S-55 (Second Bend Road) overpasses during construction.
- Additional overpass bridges at S-50 (Seven Mile Road), S-139 (Taylor Pond Road), and S-28 (Beidler Road) will be replaced off alignment to maintain traffic.
- Mainline bridges over Railroad and Four Hole Swamp will be replaced off alignment to maintain traffic.
