

PROPOSED BRIDGE REPAIR PROJECT

SC 200 (Monroe Highway) over Camp Creek

Lancaster County Community Center
508 East Meeting St.
Lancaster, SC 29720

Thursday, Oct. 1, 2026
Drop in from 5:00 P.M. – 7:00 P.M.
No Formal Presentation Scheduled

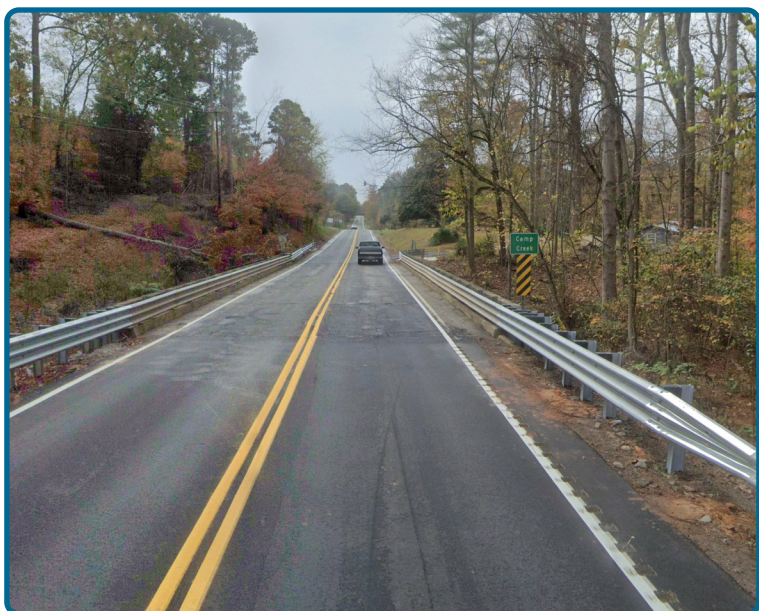

PURPOSE OF THIS PUBLIC INFORMATION MEETING

The South Carolina Department of Transportation (SCDOT) welcomes you to this Public Information Meeting. The purpose of the meeting is to provide you with an opportunity to review and discuss the proposed project.

Review the project display boards and speak with SCDOT staff and project representatives about any questions or concerns. Your attendance and comments are very important to the project development process. **To share written comments, please fill out a provided form and place it in the comment box.**

PROJECT OVERVIEW

SCDOT proposes bridge repair, rehabilitation, and preservation services for the SC 200 (Monroe Highway) bridge over Camp Creek in Lancaster County. These proposed repairs are part of SCDOT's Statewide Closed and Load Restricted Bridge Repair Program. The project aims to reduce the number of load restricted bridges through comprehensive and cost effective repairs. Repairs will improve mobility in the region and extend the service life of the bridge.

ANTICIPATED SCHEDULE

Construction Start:
Spring 2027

Construction Duration:
Approximately 6 months

Detour Length:
Approximately 6 miles

Detour Duration:
Approximately 180 days

PROPOSED DETOUR

During construction, a 6-mile detour will be in place for approximately 180 days.

Traffic on SC 200 (Northbound)

Drivers will be directed west to US 521 (Charlotte Highway), then north on US 521 to Shiloh Unity Road, where drivers will return to SC 200 north of the bridge closure.

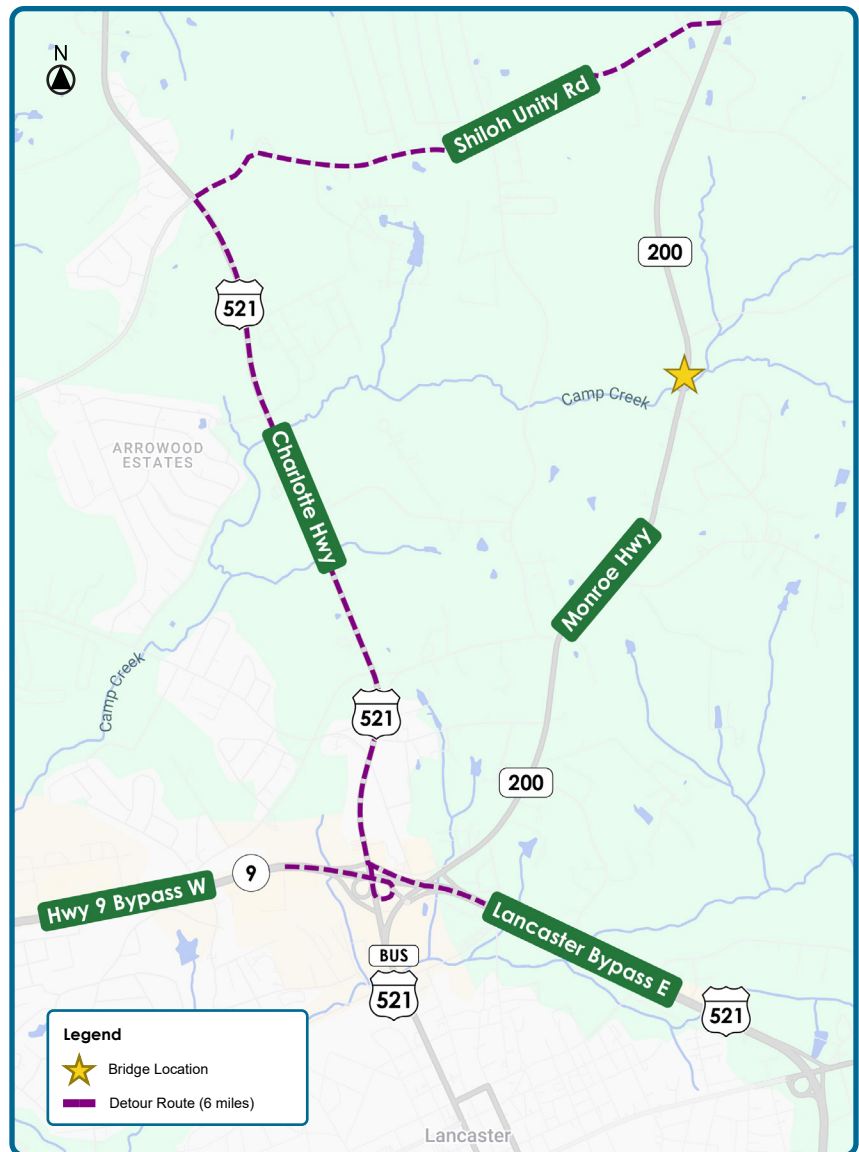

Traffic on SC 200 (Southbound)

Drivers will follow the same route in reverse, using Shiloh Unity Road to access US 521 and then returning to SC 200 south of the bridge closure.

Local traffic may choose their preferred route.
