PURPOSE OF THIS PUBLIC INFORMATION MEETING

South Carolina Department of Transportation (SCDOT) welcomes you to this Public Information Meeting. The purpose of the Public Information Meeting is to provide you with an opportunity to review and discuss the proposed improvements.

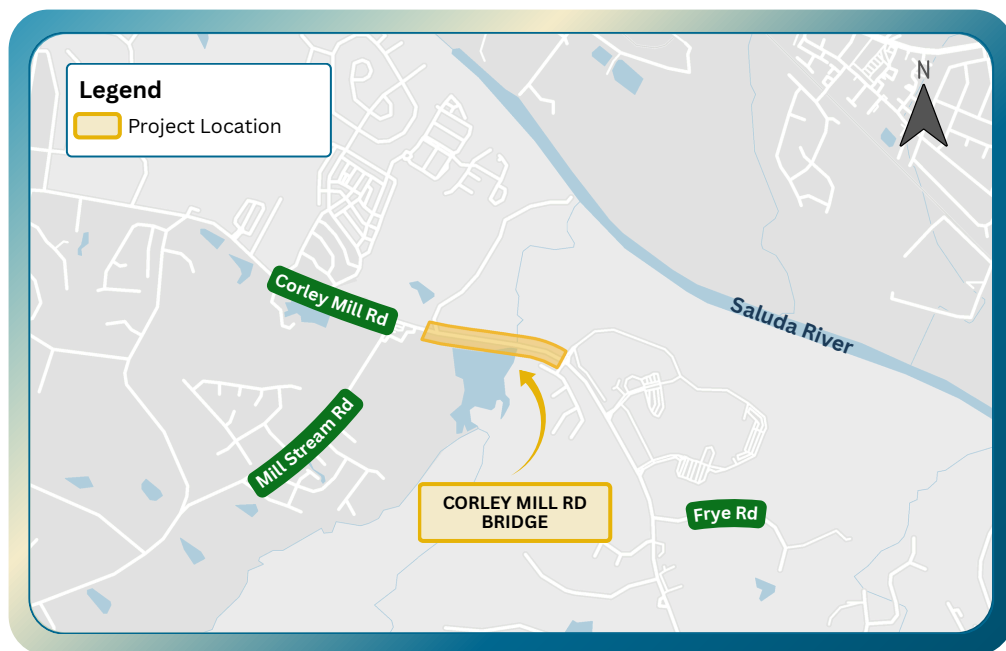

You are encouraged to review the project display boards and discuss your questions or concerns with SCDOT staff or their representatives at this meeting. Your attendance and comments are very important components of the project development process. **You are encouraged to submit written comments on the forms provided by placing them in the comment box.**

PROJECT OVERVIEW

SCDOT proposes to replace S-32-68 (Corley Mill Rd) bridge over Twelve Mile Creek in Lexington County, SC. The project includes replacing the existing bridge and realigning and improving the roadway approaches to meet current design criteria.

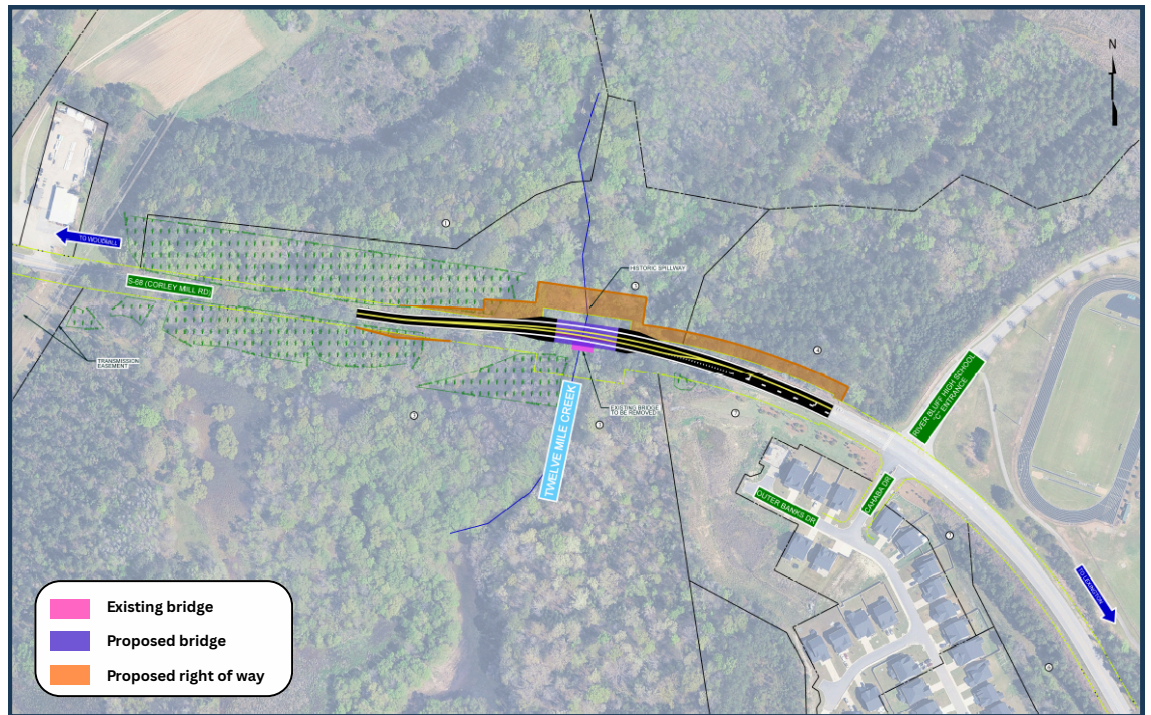

Construction Details

The project will be constructed in stages, allowing traffic to continue using the existing bridge while the new bridge is built on an offset alignment. No detour is expected during construction.

The existing bridge will be replaced with a new structure that accommodates two 12-foot travel lanes, two 8-foot shoulders, and a variable-width median ranging from 8 feet to 11 feet.

The project also includes the addition of a dedicated left-turn lane at the entrance to River Bluff High School to improve access and traffic operations.
